**The Markets**

Chicago Grain.
Chicago, Dec. 23.—Wheat prices scored a fresh advance today, induced by a sudden increase of insurance rates against Italy becoming involved in war. After opening 5¢ off to a shade up, the market made a general ascent with May which was in the lead, going more than 5¢ above last night.

The close was unsettled, 5¢ off to 5¢ under last night.

Corn hardened with wheat. The opening which was unchanged to 5¢ higher, was followed by a slight reaction and then by a moderate rise all around.

The close was 5¢ off to 5¢ above last night.

One of the leading elevator companies was conspicuous on the buying side of oats. The result was firmer prices.

Realizing safety by packers weakened provisions.

SPORTS**FERN'S WIFE ILL
MEETING WITH
TORRES OFF**

Winsor Burning Up Wires
Trying to Arrange a Sub-
stitute Attraction Worth
While. Wildcat May Come
Later.

On account of the serious illness of his wife, Wildcat Ferns has withdrawn from the match with Jack Torres December 28th. Promoter Fred Winsor received a telegram today apprising him of the fact that Ferns had hurried to the bedside of his wife in Oklahoma and would be unable to be here for the meeting on the 29th.

Waiting for Jack Torres to post his forfeit, Manager Winsor was not in communication with Ferns for several days, and the fighter was on his way to Oklahoma before Winsor sent word that Torres was ready to clinch the match. Winsor money wasn't put up until the past minute, at noon yesterday.

Somewhat resembling consternation fell on the Circus A. C. management when the Ferns telegram arrived this morning, but Promoter Winsor met the situation with characteristic energy. He started burning up the wires in search of a substitute attraction for the 29th.

Negotiations were opened with prankster Fowler, Harry Brower, Charlie Pierson and Jack Kelly, and at noon Mr. Winsor said that it was an absolute certainty that some high-class attraction would be snatched at the club on the 29th.

Efforts are chiefly directed to finding someone as a substitute for Ferns in the Torres match. It can't be arranged a match for Kid George will be staged.

If it becomes a case of putting George on it is likely that he will be pitted against Jack Kelly. Kelly is heavyweight champion of the northwest, and a dynamo in fighting ability. His appearance with mean a bout of more than passing interest.

Winsor is planning to get Ferns and Torres together January 16th. It is hoped that by that time Ferns will have passed through his family troubles and be ready for a re-appearance in the ring.

**COMMITTEE READY
FOR CHRISTMAS
CELEBRATION**

Finishing Touches to Be Put on
the Tree Tomorrow Morning
and Celebration Starts on Time.

The committee in charge of Albuquerque's first Municipal Christmas festival practically completed its work today. The finishing touches will be put on the Christmas tree at first and Central tomorrow morning, and the celebration will begin right on time tomorrow afternoon at 4 o'clock when the distribution of candy to the little children, those under 5 years, will begin. Thereafter the program will move steadily along. The children will sing their Christmas carols tomorrow afternoon and evening, Christmas eve, while the singing of the grown-ups will take place Christmas night, beginning at 7:30. This is the official announcement of the music committee and is final.

Every child in Albuquerque is invited and wanted at the tree tomorrow afternoon. There are no reservations and provision has been made for all who come. The little children will receive their gifts from 4 to 5 o'clock, the older children from 5 o'clock until 6, or as long as is necessary to make the distribution.

At 5:30 Mayor Roaftright will turn the switch which lights the tree and the rest of the evening's program will consist of the singing of carols by the children.

**Wishing a Merry Christmas
to all**
